

Are you receiving Financial Aid?

For your convenience, beginning Spring Semester 2012, Financial Aid will be given to you on a personal Debit Card!

So, what do YOU need to do??

1. **Check your mailing address and phone number in BannerWeb.** Your debit card will be mailed to you so make sure it is correct! If you need to make a change, the “Change of Name/Address” form is found at www.northgatech.edu/pages/forms. Complete, sign and return the form by email attachment to registrar@northgatech.edu, fax to 706-754-7777, mail to NGTC PO Box 65, Clarkesville, GA 30523 or in person to any NGTC campus receptionist.
2. **Check out the FAQs** at www.northgatech.edu/pages/finaid.
3. **Activate your debit card** when you receive it.

NOTES:

- You may receive your card before the funds are loaded onto it. Funds loaded will be the balance of your financial aid after tuition, fees, etc., have been paid.
- You may use your card like a debit card, at an ATM, or even get cash from your card by visiting a local bank.
