WHAT ARE THE ASSET and Compass Tests?

North Georgia Technical College uses the ASSET and Compass placement tests to identify academic skills and needs. These tests include sections on reading comprehension, writing skills, and basic math. Elementary Algebra is required for some programs. ASSET tests will be with pencil and paper, with a 25 minute time limit for each section. Compass tests are taken on a computer and are not timed.

If required you will take EITHER the ASSET test OR the Compass test. You do NOT need to take both.
