BUSINESS NAME: Oconee Regional Medical Center

JOB TITLE: Labor & Delivery Nursing positions

JOB LOCATION: Milledgeville, GA

DATE POSTED: 4 January 2010

JOB DESCRIPTION: Labor & Delivery Nursing positions: The ideal candidate will have at least 1 year experience in L&D, Nursery and/or Post Partum/Gyn in an acute care setting.

BLS, NRP and Intermediate fetal monitoring education within last 2 years is a requirement. ACLS and STABLE are certainly a plus. Our service includes a 4 bed LDR unit with state of the art equipment to include central fetal surveillance and bedside computerized documentation; the Level I newborn nursery has 14 cribs and 4 admission warmers. The Post Partum/Gyn unit is comprised of all private rooms; 4 antenatal beds also with central fetal surveillance and bedside computerized documentation.

The RN in this role will be expected to rotate among all three areas. Comprehensive orientation and cross training will be done in order to develop all the necessary skills.

The staff registered nurse is responsible for age appropriate assessment, planning, implementation and evaluation of assigned patients and assuring that planned care is delivered in a safe, economical and efficient manner following ORMC's policies and procedures, values and mission statement. The registered nurse is responsible for assessing patients' needs in compliance with established standards of care and practice and all regulatory, accrediting and legal requirements and other duties as assigned.
